For those artists who live out of town, we will be posting videos and images of the exhibit on our website early next week. Special thanks to all the participating artists for sharing such personal work with us and allowing us to share this work with public audiences.

**Take time to engage with the arts...maybe you will be challenged by the views represented...maybe what you experience will shift your thinking in some way or help you understand contradictory perspectives
See What the Arts Can Open Your Eyes To!**
