Suffolk Artist Registry – Application guidelines

Project Info:

The Artist Next Door Suffolk Registry celebrates the artists of Suffolk County (either living or working in the County) It seeks to represent all artistic disciplines, allowing artists to highlight their participation or services in the arts.

By assisting Suffolk artists in expanding their audience and publicizing their work, we give voice to the role that arts and culture play in the vitality of our Long Island communities.

Browse the registry...you may be surprised to find so many artists right next door! What they have in common is what gives the Long Island Community its character...*the Arts*.
